Competitive advantage  
through differentiation

# Our area of expertise

Software isn't cookie-cutter - it depends on what your needs, goals, and budget are. The same goes for the services we provide.

## Enterprise software development

Reliable software capable of being scaled quickly. Modern architecture approaches allow us to build for today, tomorrow, and the future.

## Media Solutions

From complex broadcaster solutions to consumer live video delivery, we simplify video through its broad set of products & solutions

## AR/VR/MR

With AR/VR & MR integration, we can provide better customer experiences and help take your business to new levels.

# Our area of expertise

Software isn't cookie-cutter - it depends on what your needs, goals, and budget are. The same goes for the services we provide.

## Web Development

Responsive websites and PWAs built for speed

## NOC Services

24x7 Support from state of the art NOC Services.

## Mobile Development

Native Android, iOS, Cross platform, & Mac apps

## UI/UX Engineering

Fresh-looking designs and intuitive interfaces that communicate with your audience, clients and partners.

A hand is shown interacting with a futuristic digital interface. The interface displays a complex, colorful pattern of lines and dots, resembling a network or data visualization. The background is dark, and the interface is illuminated with vibrant colors like blue, green, and orange. The overall aesthetic is high-tech and modern.

# Leverage our more than two decades' experience in developing digital solutions for Fintech.

We have delivered more than 50+ fintech & insurance solutions for some of the major industry giants of the banking Industries.

# Digital Enterprise Experience in Fintech

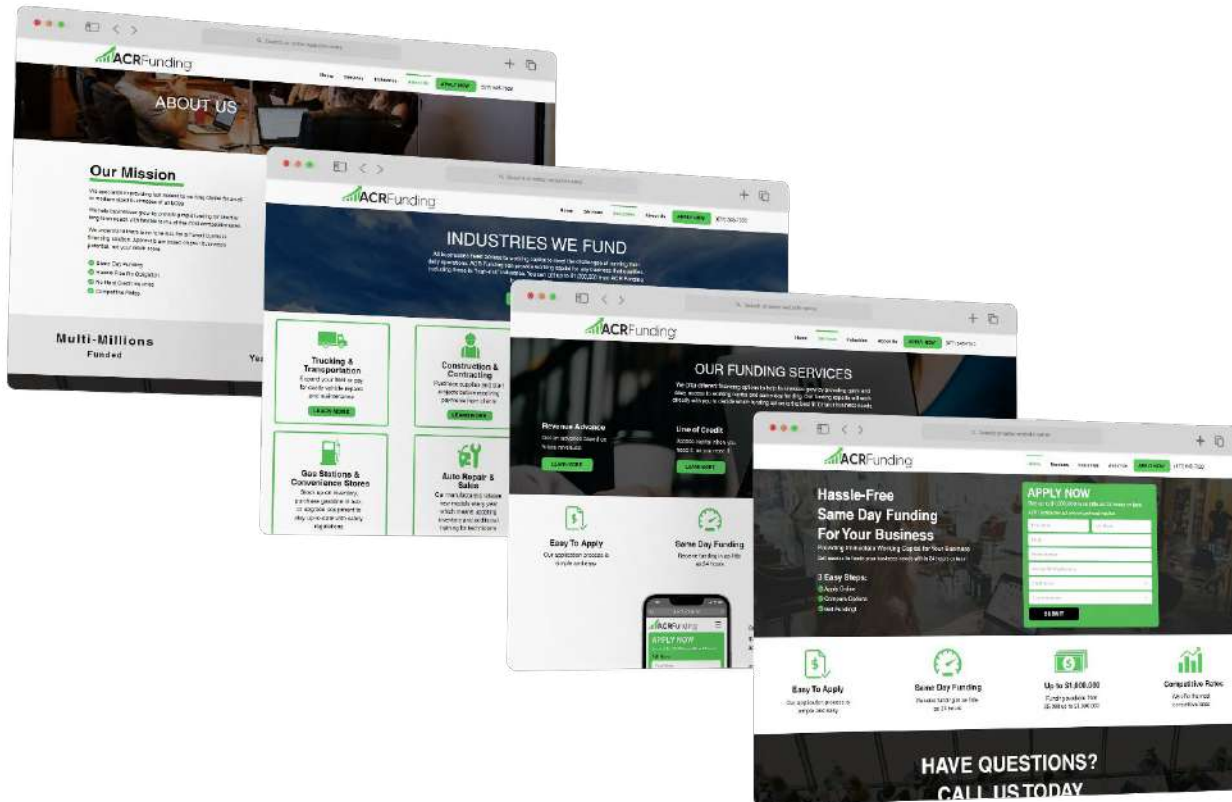

Mobilizing Sustainable Finance for Small and Medium-Sized Enterprises

## Problem Statement

The client was looking for an application to overcome the problem of inadequate financing to SMEs & MSMEs. The foremost objective of this application was to understand the process of lending loans to Micro, Small, and Medium Enterprises and to comprehend the complete technique of lending loans to SMEs & MSMEs, by fulfilling all the terms and conditions in one SINGLE platform.

## Solution Provided

IntelliMedia created an Integrated technology platform that leverages contemporary digital finance architecture and disruptive technologies to showcase the art of the possible across the operational, business, and specialized finance for deeper, more accurate insights that speed time to the outcome.

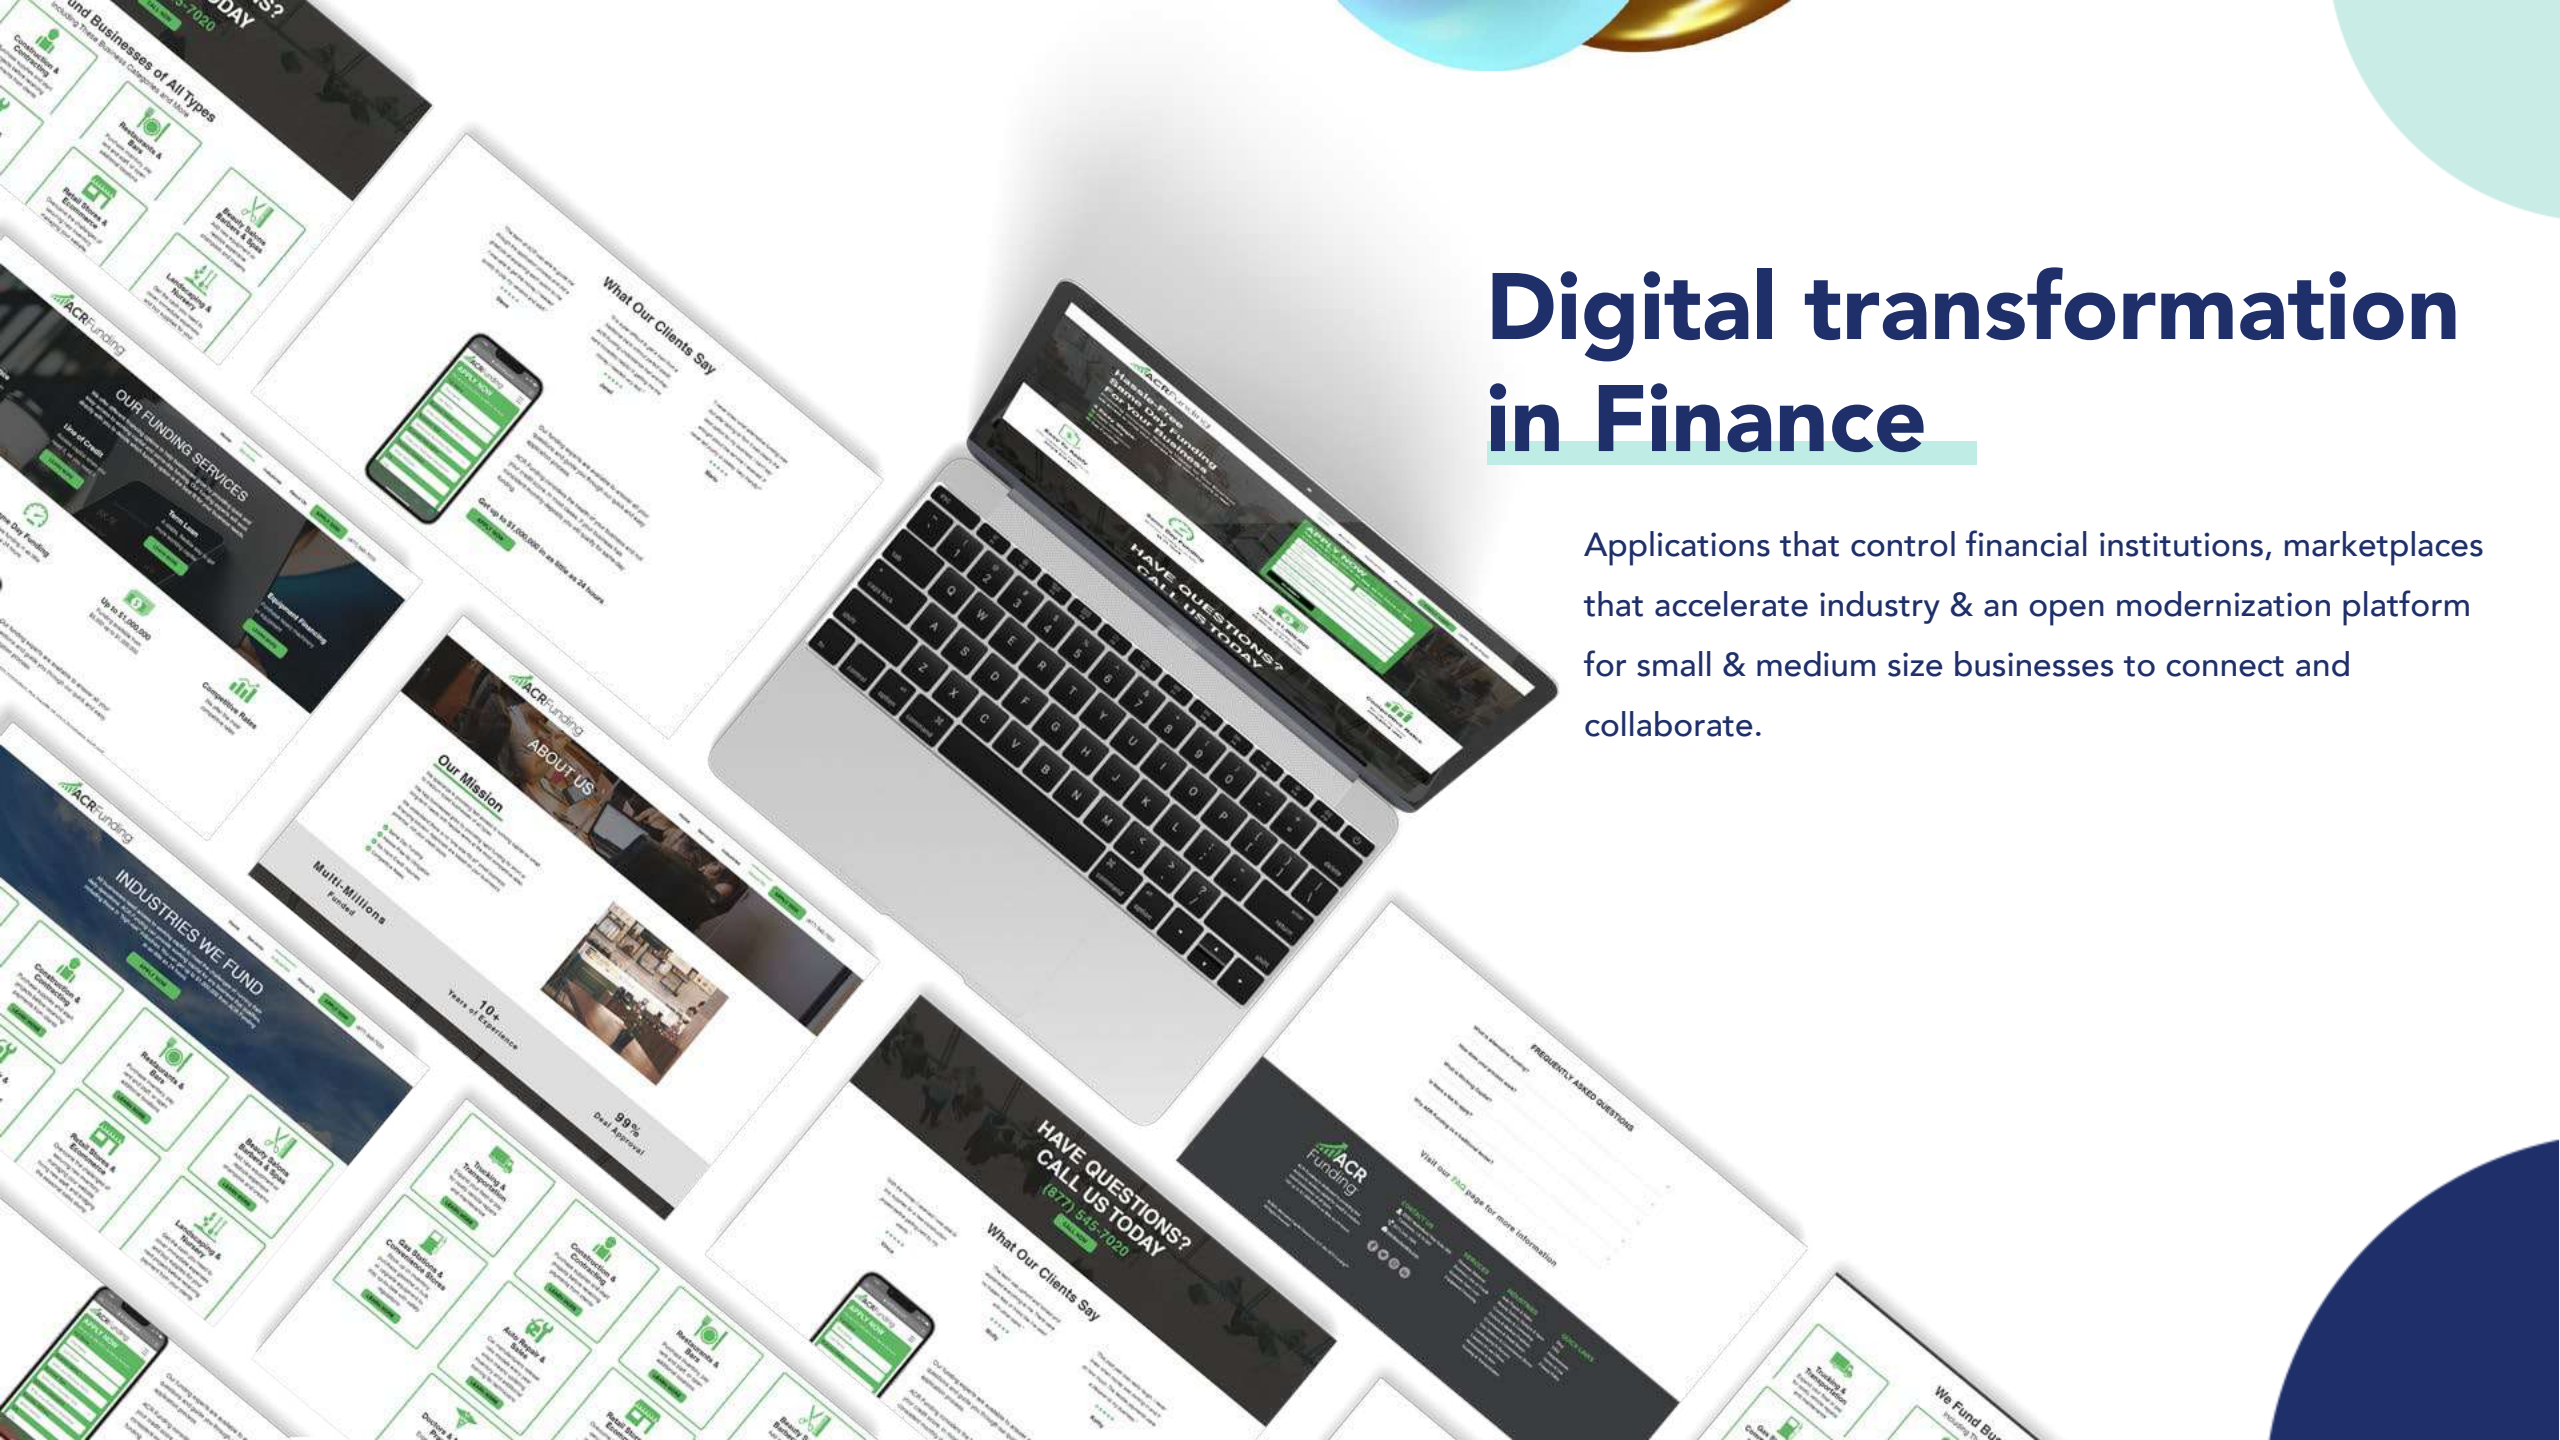

Platform - Web
